

# Until the Time Is Through

Five

Now and forever  
Until the time is through

I can't believe it  
I don't know where to start  
No, baby  
So many questions  
Deep inside my heart

Give me a moment before you go  
There's something you ought to know

Baby, now and forever  
Until the time is through  
I'll be standing here  
Waiting will never  
Give up my faith in you  
Trying to make it clear  
Without your love I'd be half a man  
Maybe one day you'll understand  
Now and forever  
Until the time is through  
I'll be waiting

How can I tell you  
So that you can see  
You know that  
Love has a meaning  
When you are here with me

Give me a moment before you go  
There's something you ought to know

Baby, now and forever  
Until the time is through  
I'll be standing here  
Waiting will never  
Give up my faith in you  
Trying to make it clear  
Without your love I'd be half a man  
Maybe one day you'll understand  
Now and forever  
Until the time is through  
I'll be waiting

There is no one to comfort me  
Here in my cold reality  
I'm searching for words  
What can I say  
To make you see  
Baby, now  
Until time  
Is through  
I'll be here  
Baby, now  
Until time  
Is through

I'll be here

Baby now and forever  
Until the time is through  
I'll be standing here  
Waiting will never  
Give up my faith in you  
Trying to make it clear  
Without your love I'd be half a man  
Maybe one day you'll understand  
Now and forever  
I'll be here for you  
Until the time is through
