

# House On A Hill

Fivefold

Sorry but I didn't get much sleep last night  
Kept waking up sweating, heart beating ready for a fight, yeah  
And it's not for any reason  
Blame it on the seasons changing the way they are  
Makes me restless scared of the dark

Have you ever felt alone when you're in a crowded room?  
Like everyone's on to something except for you  
If it's a joke guess I missed the punchline  
I'm fine I'll pour a cup of coffee  
But in the morning it's eating at my mind

3 am, I'm alone again

I was dreaming I had a house on a hill  
Where the weight I feel  
Couldn't reach me window seals open  
To the garden where my hopes and dreams stood tall  
Woke up it wasn't real  
Sorry didn't get much sleep last night

She and I were fighting bout some stupid thing  
Then I slammed the door she took the blame, yeah  
And I know that it was my fault I'm not  
The best at talking through it all  
When I fall I close myself off

It's not alright  
I can't sleep at night  
Need that morning light  
To tell me I'm fine  
A little bit on edge  
Give me space I'll get over it  
Till I go to bed  
Voices in my head

Tell me that I'm not enough  
That I should give up  
(3 am, I'm alone again)

I was dreaming I had a house on a hill  
Where the weight I feel  
Couldn't reach me window seals open  
To the garden where my hopes and dreams stood tall  
Woke up it wasn't real  
Sorry didn't get much sleep last night  
Last night I dreamt I couldn't find  
Where to lay my burdens down  
So I carried them out  
And I brought em the morning  
Is heavier now  
Sorry didn't get much sleep last night

What is wrong?  
Every alarm is telling me I need to wake up and move on  
And what's the point of dreaming  
If you never find the reason

I think it's time to wake up and move on  
Sorry but I didn't get much sleep last night

I was dreaming I had a house on a hill  
Where the weight I feel  
Couldn't reach me window seals open  
To the garden where my hopes and dreams stood tall  
Woke up it wasn't real  
Sorry didn't get much sleep last night  
Last night I dreamt I couldn't find  
Where to lay my burdens down  
So I carried them out  
And I brought em the morning  
Is heavier now  
Sorry didn't get much sleep last night
