

The Story

Fivefold

This world is a winding road, you...
Never know what is to come
Yeah, yeah, yeah

Fading into
Memory with its
Good times and remember whens
Yeah, yeah, yeah
Staring in to this mirror
The face that I see
So much has changed since then
But if you

Take the time to dig a little deeper
Take a look in my eyes

You'd see life
You'd see dreams
A fire deep in me
It's what I am
Everything I'll ever be
Whoa, whoa
I will not be afraid
Of what is to come
And I will rise
And I will rise
Above it all

Better days in a
Better time when
The world didn't seem so cold
Yeah, yeah, yeah
And though I don't understand
I'll stand strong, I'm never giving in
Can't break me down
'Cause if you'd

Take the time to dig a little deeper
Take a look in my eyes

You'd see life
You'd see dreams
A fire deep in me
It's what I am
Everything I'll ever be
Whoa, whoa
I will not be afraid
Of what is to come
And I will rise
And I will rise
Above it all

Pull me up, hold me close
Through this stormy weather
Don't give up, don't lose hope
I need this more than ever
I need you more than ever

You'd see life
You'd see dreams
A fire deep in me
It's what I am
Everything I'll ever be
Whoa
I will not be afraid
Of what is to come
And I will rise
And I will rise
Above it all

I will not be afraid
I need you more than ever

This world is a winding road, you...
Never know what is to come
Yeah, yeah, yeah
