

# Won't Let Go

Fivefold

I found the ghost of the past  
A memory that'll last  
Seems like yesterday  
That we had it made  
But this is not the way  
That we had planned  
And start to understand  
What happened  
To all the times  
And all the places  
I guess it's time  
I need to face this  
You're not here  
But you've never  
Been so close  
And that's why I say

That I won't let go  
Oh no, oh no  
Of the memories we hold  
Oh no, oh no  
Teach me how to go on  
Without you  
And I swear I won't let go  
Oh no, oh no

Ooh, yeah

So now it's been three years  
And we're all still here  
Living day to day  
Keeping your memory safe  
In everything  
We say and do  
We raise a glass  
To you my friend  
Remember all the times  
And all the faces  
Missing you that night  
It's time to face this  
You're right here  
You've never been too far away  
To hear us say

That we won't let go  
Oh no, oh no  
Of the memories we hold  
Oh no, oh no  
Teach ourselves to go on  
Without you  
And I swear we won't let go  
Oh no, oh no

They say you never know  
What you have until it's gone  
These memories, keep me wide awake  
I know it's been too long

On the silver screen you speak to me  
And all the things you wanted to be  
But you live on in memory  
And after all this time I start to see

You are the one who got us here  
Thrown us across that line  
Taught us to face our fears  
Through stormy weather  
We'll stay together  
And in our hearts you'll live forever

And that's why we won't let go  
Oh no, oh no  
All the memories we hold  
Oh no, oh no  
Teach ourselves to go on  
Without you  
And I swear we won't let go  
Oh no, oh no  
Oh no, oh no  
I swear we won't let go
