

## No Rumors

Fivio Foreign

Hah  
Yeah, yeah  
Uh  
Said she like my voice though  
I just, uh  
Huh (Word up)  
Yeah (Yeah), uh (Uh)

And we don't let none of the blogs phase us  
I don't follow none of them blog pages  
Even though some of the blogs love us (Yeah)  
'Cause some of the blogs hate us (Uh)  
Huh, my happiest moment's just me and her (My happiest moment's  
just me and her)  
Yeah, we don't watch what happens on the internet and we don't  
pay attention to the media (Nah)  
Heart hurt me when I feel like I'm leavin' her  
Just 'cause I love her don't mean that I agree with her  
Somethin' I see in her (Somethin' I see in her)  
Yeah, that make me wanna be with her  
So what I'm a gangster? (So what I'm a gangster?)  
So what I do perks? (So what I do perks?)  
So what we got differences? Uh  
He wanna be together and you make it work  
Shawty I love it when you make it squirt  
"Fivi I love it when you make it hurt"  
We both gotta cum, and I'm puttin' you in first  
We both exes and both 'em dirt  
You ain't nothin' I deserve (Nah)  
How I get sick and you turn to a nurse?  
Huh, if I gotta pick, I make her wear skirts  
If she hirin', I'm takin' the job  
Yeah, they want her, but I'm makin' it hard  
I take her all the way to the bar  
I don't ever tell her, "Wait in the car"  
All her homegirls hatin' from far  
Tell 'em, "Pull up and come play with the squad"  
I'm showin' her off (I'm showin' her off)  
That's how it fell to be with a boss (Yeah)
