

# High In Brighton

FIZZ

I, wanna get out my room it's so boring  
Crushed, under the weight of things that I'm ignoring  
Talk to the hand, not to my face  
Talk to the losers in my place  
So fuck it, I'm leaving, I'm out of here now  
Got a one way ticket to heaven...

I wanna be high in Brighton  
I wanna be high in Brighton  
I wanna be high

I wanna be high in Brighton  
I wanna be high in Brighton  
I wanna be high

I'm on the marine parade and it's still boring  
Thought there'd be a marching band, I guess they're touring  
Even when it's grey, it's a holiday  
Seven hundred ice creams in my face  
So if you wanna escape, come and get

High in Brighton  
High in Brighton  
Come and get high

I wanna be high in Brighton  
High in Brighton  
I wanna be high

I wanna escape my real life  
I wanna escape my real life

This could be perfect timing  
Tickets are cheap, so buy them!  
We can get

High in Brighton  
We can get  
High in Brighton  
I wanna be high

So come and say  
Hi in Brighton  
Hi in Brighton  
I wanna be high  
I'm so high
