

# I Just Died

FIZZ

Good morning, chaos  
Can I make you breakfast?  
I wasn't expecting you  
So soon

I'm packing a toothbrush  
God! I've been missing you so much  
There's a hole in my heart  
In the shape of a boy with a fancy guitar

I was thinking I could book a flight for two nights  
We could fly a kite or ride a bike, it's paradise  
Iii, wouldn't that be nice?  
Oh, just you and I  
I was thinking you'd say, "What a move! You're such a dream!  
Spontaneity, you spicy queen! Oh marry me!"  
But you said, "I'm not sure"  
And I just died

Good evening, regret  
Now my eyes are so red  
Am I masochistic, sadistic or twisted?  
Oh, what was I thinking?

Stop being so nice  
Let's just put this thing on ice  
Can we skip to the part where we meet in a bar  
And we look back and laugh about when

I was thinking I could book a flight for two nights  
We could fly a kite or ride a bike, it's paradise  
Iii, wouldn't that be nice?  
Oh, just you and I  
I was thinking you'd say, "What a move! You're such a dream!  
Spontaneity, you spicy queen! Oh marry me!"  
But you said, "I'm not sure"  
And I just died

God! I'm such a fool  
What an expensive mistake  
Why are you being so cool?  
I'll probably do it again  
Oh, and I just died

I was thinking I could book a flight for two nights  
We could ride a kite or fly a bike, it's paradise  
Iii, wouldn't that be nice?  
Oh, just you and I  
I was thinking you'd say, "What a move! You're such a dream!  
Spontaneity, you spicy queen! Oh marry me!"  
But you said, "I'm not sure"  
And I just died

I just died  
I just died  
I just died  
I just died  
I just
