

## Strawberry Jam

## FIZZ

Baby, oh, I don't ever wanna be lonely, oh  
All I want is somebody to hold me  
My head, my head, my head  
Is changing

Baby, oh, I don't ever wanna be lonely, oh  
All I want is somebody to hold me  
My head, my head, my head  
Is changing

Baby, oh, I don't ever wanna be lonely, oh  
All I want is somebody to hold me  
My head, my head, my head  
Is craving...

Strawberry jam on a Sunday  
With my friends

Baby, oh, all of this worry has aged me, oh  
No, I don't need anything crazy  
God, I've become so

Boring, and if this is boring  
Then fuck it, I'm boring  
I'm wooden flooring, yeah  
Good morning  
I'm unimportant  
And isn't it funny  
I'm suddenly happy?
