

Cellophane

FKA twigs

Didn't I do it for ya?
Why don't I do it for ya?
Why won't you do it for me?
When all I do is for ya

They wanna see us, wanna see us alone
They wanna see us, wanna see us apart
They wanna see us, wanna see us alone
They wanna see us, wanna see us apart

And I just want to feel you're there
And I don't want to have to share our love
I try but I get overwhelmed
When you're gone I have no one to tell

When I just want to feel you're there
And I don't want to have to share our love
I try but I get overwhelmed
All wrapped in cellophane
The feelings that we had

Didn't I do it for you?
Why don't I do it for you?
Why won't you do it for me?
When all I do is for you

And didn't I do it for you?
Why won't I do it for you?
Why won't you do it for me?
When all I do is for you

But I just want to feel you there
And I don't want to have to share our love
I try but I get overwhelmed
When you're gone I have no one to tell

They're waiting, they're watching
They're watching us, they're hating
They're waiting and hoping
I'm not enough
