

Childlike Things

Dun, dun, dun
Dun, dun, dun, dun, dun
Dun, dun, dun, dun, dun
Dun, dun, dun, dun, dun, dun, dun

Dun, dun, dun, dun, dun
Dun, dun, dun, dun, dun

I've got supersonic powers that are polyphonic
Like a chocolate teapot, melt 'em down and burn 'em up
I've got supersonic powers that are polyphonic
Extra tonic, give a glass of gin just to put it in
Drink it up, feeling dead alive like a 9-to-5
I've got supersonic powers, huh

Where the wild things are I will be
Lost in a world of childlike things and fantasies

Dun, dun, dun
Dun, dun, dun, dun, dun
Dun, dun, dun, dun, dun
Dun, dun, dun, dun, dun, dun, dun

Dun, dun, dun
Dun, dun, dun, dun, dun
Dun, dun, dun, dun, dun
Dun, dun, dun, dun, dun, dun, dun

Where the wild things are I will be
Lost in a world of childlike things and tragedies
Dreams breaking their hearts can cross seven seas
Lost in a world of childlike things and fantasies

Dun, dun, dun
Dun, dun, dun, dun, dun
Dun, dun, dun, dun, dun
Dun, dun, dun, dun, dun, dun, dun

Dun, dun, dun
Dun, dun, dun, dun, dun
