

## How's That

FKA twigs

How's that  
How's that feel  
How's that  
How's that feel  
You are  
You are  
You are  
Everything  
How's that  
How's that feel  
How's that  
How's that feel  
You are  
You are  
You are  
Everything  
That feels good  
In my...  
That feels good  
So so amazing  
I want you  
In my...  
I want you  
On my...  
How's that feel  
You feel right  
You feel right  
And that's so amazing
