

## Mothercreep

FKA twigs

I don't know who my mother is  
But I creep for you  
(Creep, mothercreep, mothercreep)  
Moments in change  
I'm still chasing  
I'll be home soon  
(Creep, mothercreep, mothercreep)  
I'll be there soon  
I'll be there soon  
I'll be there soon  
I'll be there soon  
(Creep, mothercreep)  
(Creep, mothercreep)

Whisper in tongues  
Hit me with your hands  
Double knot my throat, mother  
In words I lose  
Don't be mad  
Advocating every second, every minute  
To my mind it's so sweet  
And I wish you could see it  
I'll be home soon

Creep, mothercreep, mothercreep, mothercreep  
Creep, mothercreep, mothercreep, mothercreep, mothercreep  
Creep, mothercreep  
I'll be there soon (creep, mothercreep)  
I'll be there soon (creep, mothercreep)  
I'll be there soon (creep, mothercreep)  
I'll be there soon  
I'll be there soon  
I'll be there soon  
Creep (mothercreep)
