

# Perfect Stranger

FKA twigs

I don't know the name of the town you're from  
Your star sign or the school you failed  
I don't know and I don't care  
I don't know the food that's your favourite now  
Your work or what you're working around  
I don't know and I don't care

And that's okay with me  
To live my life with some mystery  
Please don't say that I must know  
And that's alright, I say  
"We're all getting through this our own way"  
I'd rather know nothing than all the lies  
Just give me the person you are tonight

Oh, we can make it work  
What we don't know will never hurt us  
You're a stranger, so you're perfect  
You're a stranger, so you're perfect

You're perfect, baby  
My perfect stranger  
You're beautiful, you're worth it  
You're the best, and you deserve it  
You're a stranger, so you're perfect  
You're a stranger, so you're perfect  
I love the danger  
You're the perfect stranger

I don't know your friends or your ex's name  
Who left who or who took the blame  
I don't know and I don't care

And that's okay with me  
I don't wanna have the anxiety  
Please don't say so I won't know  
Don't say I don't wanna know  
And that's alright, I say  
"We're all getting through this our own way"  
I'd rather know nothing than all the lies  
Just give me the person you are tonight

Oh, we can make it work  
What we don't know will never hurt us  
You're a stranger, so you're perfect  
You're a stranger, so you're perfect

You're perfect, baby  
My perfect stranger  
You're beautiful, you're worth it  
You're the best, and you deserve it  
You're a stranger, so you're perfect (Ah)  
You're a stranger, so you're perfect  
I love the danger  
You're the perfect stranger

What is this human nature?

Don't answer, I'm in rapture  
You're perfect, baby  
My perfect stranger

Let's love in words unspoken  
And stay naïve, unbroken  
I love the danger  
You're the perfect stranger
