

# Predictable Girl

FKA twigs

No one knows who you are, and I find that so frustrating  
You're more awkward than a stop-start animation  
When you say you are not who you are, you  
Got me so locked in, need a crow bar  
Now you're getting deep in some body activations  
I wanna go and resist your sweet temptation, but you  
Took me home, I wanna know you  
Who you really are when you're naked

I'm a three minute ride and an eighteen minute walk  
I'm a three minute ride and an eighteen minute walk  
I'm a three minute ride and an eighteen minute walk  
From the person I'm liking, I'm liking, I'm liking a lot

Predictable girl, you've done it again  
You followed your heart then got lost in your head  
Predictable girl, you took it too far  
You made up a world, then got fucked in the ass

No, I'm not in love, no, I'm not in love  
No, I'm not in love  
No, I'm not in love, no, I'm not in love  
No, I'm not in love  
You're not a Bugatti car (Bugatti car)  
Or a superstar, not one I know  
You're not who you say you are (Bugatti car)  
Who you really are when you're naked

I don't know who you are when I'm screaming your name  
So you can't have vindication  
Who you are when I'm screaming your name  
Bugatti car  
I don't know who you are when I'm screaming your name  
You're a stop-start an- (Oof, sorry, I fucked up)  
So hot when I'm screamin' your name

Predictable girl, you've done it again  
You followed your heart then got lost in your head  
Predictable girl, you took it too far  
You made up a world, then got fucked in the ass

No, I'm not in love, no, I'm not in love  
No, I'm not in love  
No, I'm not in love, no, I'm not in love  
No, I'm not in love
