

Striptease

FKA twigs

I'm borderline, it's getting late, I feel alive
I wanna show you, I
I've got a birthmark on my mind, I think you'll like it
Arch my spine
And just a shoulder, titalises on me
I ride
You wanna read my every line
And I don't mind

Late nights
My sternum stretched wide

Opening me feels like a striptease
Opening me feels like a striptease
Silk for my tears and lace for my fears
I'm stripping my heart 'til my pain disappears
Opening me feels like a striptease
Whoa, watch me flow
Lost in my striptease
Whoa, watch me flow

I'm borderline, it's getting late, I feel alive
I wanna show you, I
I've got a birthmark on my mind, I think you'll like it
Arch my spine
And just a shoulder, titalises on me
I ride
You wanna read my every line
And I don't mind

Eyes wide
Breathe in my insides

Opening me feels like a striptease
Opening me feels like a striptease
Silk for my tears and lace for my fears
I'm stripping my heart 'til my pain disappears
Opening me
Opening me
Feels like a striptease
Whoa, watch me flow
Lost in my striptease
Whoa, watch me flow
Lost in my striptease

Late nights
My sternum stretched wide

Borderline, it's getting late, I feel alive
I wanna show you, I
I've got a birthmark on my mind, I think you'll like it
Arch my spine
And just a shoulder, titalises on me
I ride
You wanna read my every line
And I don't mind
