

Clear Sight Christmas

Flame

All seem to say "Let's celebrate"
All seem to say "Let's celebrate"
"Let's celebrate" all seem to say
All seem to say "Let's celebrate"
Christmas is here, bring me the cheer
"Let's celebrate", Christmas is here
Ah-ah-ah-ah-ah-ah-ah-ah
All seem to say "Let's celebrate"
God chose to demonstrate His love
God chose to demonstrate His love
(Demonstrate His love)
And sent His only Son (S-s-Son, s-s-Son)
To let you know the truth
God chose to demonstrate His love
Sent His only Son (S-s-Son, s-s-Son)
His only Son (S-s-Son, s-s-Son)

Could it be the risen King?
Wrapped in swaddling clothes of a dead man
Wise men on the scene
Gold, frankincense and myrrh laid out at His feet
Yet and wrapped up in Black Friday a Dollar Tree
"Give me this, give me that
And please leave me the receipt so I can take it back
'Preciate the school clothes
Could use some shoes though
But these ain't quite the J's I wanted (Nah)
It's cool though"
I'm well overdue for a lesson in the birth of Christ
What He came here for
Who He came here for
Hope, blind, lame, poor
"Hmm, you mean it ain't really about the gifts?
Really not about the tree"
More about the souls of all those slain overseas
Givin' their lives as a gift to let freedom ring
In the hearts of the lost
Preaching of the true gift, strung out on a cross
J-e-s-u-s
Not Santa Clause

All seem to say "Let's celebrate"
Celebrate, celebrate, a Savior
We celebrate, holy is His name
This is our caroling, thankful for the joy He brings
Yay we get really loud, people singing songs of the cheer
Christmas is here
Merry Christmas, He's the Gift to all of us

Trippin' off the fog, people at the mall
Skip and break tonight
People in the lines steady buyin' lot of merchandise
Why am I trippin' though?
Nothin' wrong with buyin' things
I am in the same line 'bout to spend a lot of green
But there is a problem if people need to know
We offend the Holy God, I'm 'bout to yell it in the store

See-

Once upon a time
But this is not a fairy tale
God created man and we said "I know it very well"
Plus you know the truth, look at you you're racked up
Ain't no telling what you do
Just to get your stacks up, yeah
God in His grace chose to demonstrate His love
And send His only Son Jesus Christ to shed His blood
Came down, first He lived the perfect life
Was the perfect sacrifice, you should worship Him tonight
He wore the crown, see Jesus He invaded
Just so you could be related
The season to celebrate 'cause of Him

All seem to say "Let's celebrate"
All seem to say "Let's celebrate"
"Let's celebrate" all seem to say
All seem to say "Let's celebrate"
God chose to demonstrate His love
God chose to demonstrate His love
