

## I'm On

Flame

I'm on a mission, yea  
I'm all on a mission, yea  
We all on a mission, yea  
What is your mission, yea  
I'm on a mission, yea  
I'm all on a mission, yea  
We all on a mission, yea  
What is your mission, yea  
I'm on a mission, yea  
I'm all on a mission, yea  
We all on a mission, yea  
What is your mission, yea

Playing my part or I am part of the problem  
Yes, I'm complicit if I sit in silence  
Other three officers did nothing about it  
In this moment we are not looking for balance  
Connie's shoppin' while bodies droppin'  
Confederate monuments coming down  
Quaker Oats dropping Aunt Jemima  
And I am a Democrat for wearing a mask now  
How is that political?  
Sometimes you don't get to hit the backspace  
To blot out the pain from the black face  
But you can speak truth in the rat race  
Is the best thing you can do in that case  
We really got a flex on the ground level  
Sticking to the text bringing down devils  
Yeah, preach gospel but not just that  
It's other work to do  
Let me go vote

I'm on a mission, yea  
I'm all on a mission, yea  
We all on a mission, yea  
What is your mission, yea  
I'm on a mission, yea  
I'm all on a mission, yea  
We all on a mission, yea  
What is your mission, yea  
I'm on a mission, yea  
I'm all on a mission, yea  
We all on a mission, yea  
What is your mission, yea

I'm on a mission like Tom, yea  
We put our difference aside, boy  
We need a plan  
No time for playin'  
I need additional time, boy  
We got some work to do  
I got a purpose to  
Looking for fish in the pond, boy  
Pandemic people is panicking  
Run when they hear the tick of the bomb boom  
We ain't seen nothing like this before  
2020 took a turn, boy

LBJ is in a bubble, yea  
Light the fuse and let it burn, boy  
Jesus told us that he's coming, yea  
Warning signs have been confirmed flizz  
Yahweh got us out here running, yea  
Running hard 'til he returns, boy

I'm on a mission, yea  
I'm all on a mission, yea  
We all on a mission, yea  
What is your mission, yea

I'm on a mission, yea  
I'm all on a mission, yea  
We all on a mission, yea  
What is your mission, yea
