Listen before you reject
Tell me what is it you're trying to protect
Is it the crucifixion or the resurrection that you're thinking is under a th
reat
So you think baptism
Is in competition
With the finished work
If it regenerates
What if it's a tool to deliver grace
Like putting food on a dinner plate
Let's see what the text say
Let's take them back
To Acts 2:38
Repent and be baptized
Every one of you
Do it in Jesus' name
For the forgiveness of sins and then
Receive the gift of the Holy Spirit
Peter didn't end it
He extended this to children
Water apart of kingdom building
I know your argument boy
I know you're stuck on the order
Look at the sentence
First thing mentioned
It is repentance
That's what you argue
Now you got problems with great commission
First thing mentioned
It is baptism
It ain't bout chronological order
The word "and" means along with like partners

Get a Bible find the scriptures on baptism then read them all
Then see that Paul taught Sola Fide
Regeneration when water washed
Faith alone and regeneration through baptism don't contradict
It's a means of grace
Delivers benefits of the crucifix and they complement
If Satan can make us doubt faith
And doubt can turn to apostate
Then God gives us many means
Where faith clings to what God say
So is the person that wasn't baptized but believed not really saved
We never said baptism only
He delivers grace in plenty ways

How are you fighting over say the proper mode is to immerse a person into re
al water
But your hermeneutic is dehydrated
And you're violating what the Spirit taught us
When that water hit you with the promise on it
Then I promise homie we keep counting on it
When the Devil temps you to be doubting brody then Galatians 3 and 27 brody
The reason you knock it
And think it's symbolic
Your leaning is Gnostic

It's the Enlightenment
The reason you're fighting it
And bringing indictments
We don't credit the person
That walked to the altar
With working at all
Or credit the pastor
Who's pouring the water
As part of the cause
Our part in it passive
It's God who was active
In Word and Water
How can this be
All authority giving to me (where)
In heaven and on earth
Matthew 28:18
You're thinking the thief on the cross
He never hit the water but he was still saved
Amen
And even Abraham was saved by faith
Get grace in plenty of ways
So come and bathe
Dripping in faith
Regeneration is faith
God saves
By physical things
Through many means
