

## Silver & Gold

Flame

We gon live by the call  
That's the only way we know

I'd rather have Jesus than silver and gold  
Everybody chasing after dollars is gonna rather have Jesus  
Than silver and gold  
When I'm chasing after Jesus  
They chasing silver and gold everybody chasing after money  
But I'd rather have Jesus than silver and gold

He said he would ride for the bag  
Said he even would kill said he would lie for the bag  
Man your Bible he will said he would die for it  
Said he'd ride for it make the block look like July 4th  
Your mamas cry for it even if you rack it up and stack it up  
It ain't gonna save nah cause when you add it up  
You subtracting it ain't gon' pray aww cursing my rap  
Know that I'm saved making minimum wage  
At least my sins have been paid for guess I'm just trying to say

I would rather have Jesus than silver and gold  
Everybody chasing after dollars is gonna rather have Jesus  
Than silver and gold woo yeah  
Man I'm chasing after Jesus than chasing silver and gold uh  
Everybody chasing after money but I'd rather have Jesus  
Than silver and gold uh than gold than gold than gold

Rich man holding onto money trying to maintain  
Broke man trying to get the money doing anything  
Middle class see that little bag and then it fade away  
But when you getting tinting price you cool with it either way  
Trick they get it by any means woo they only feeding their greed woo  
We do not feed into greed nah love of money root of evil  
You can really gain the world yeah gain the world and lose your soul  
So we living by the call

Jesus I'm in love with you  
I would rather have love and joy God's peace  
Jesus I'm in love with you  
I would rather have love and joy God's peace  
Talk to them talk to them talk to them woo  
So we living by the call so we living by the call  
It don't never get old it don't never get old  
Jesus over everything yeah  
It's Jesus over everything it's Jesus over everything  
Jesus over everything it's Jesus over everything  
It's Jesus over everything  
I would rather have Jesus over everything  
It's Jesus over everything it's Jesus over everything

No way it's Jesus over everything  
But I'd rather have Jesus
