

The Blessing

Flame

Hey, you know honestly
When you think about all Christ has done for us
I mean all you can say for real is...

Amen, amen
Amen, Lord, let it be (Let it be)
Make strong our faith that we
May doubt not and know we are free
Amen, amen
Amen, Lord, let it be (Let it be)

It's in Your name and at Your word
And by Your grace we can say (What we say?)
Our Father, who from heaven above
You're the giver of all that we need (All that we need)
Through Your Spirit You call us
To the grace of Your Son
And as saints and sinners we sing

Lord, let it be (Amen)
Lord, let it be (Amen) (Amen)
Lord, let it be (Let it be)
Amen, Amen, Amen (Amen)
