

Begs and Achin'

Flaming Lips

I see ya flyin' in your ufo all the time
Crash and burnin' in my backyard
It's begs and achin' all the time

I ridin' on your brainwaves
Surfin in a dream
I wish you'd save those dreams for me

I see you flyin' in your ufo all the time
I don't remember what day it was
Begs and achin' all the time
