

Can't Let It Go

Flaming Lips

I can't let it go
I can't just let it go
With my arms, my heart, my life.

But I gotta let it go
Gotta just let it go
But I can't let go my head
Oh no.

Gotta let it go
I gotta just let it go
But I know, you'll go, my life.

Can't let it go
Can't just let it go
With my arms, my heart, my life.
Oooh.
