

Hope Hell High

Flaming Lips

Yeah it's a bitch boy just how hard it is to change
Give me hope give me hell and get me high along the way
Yeah it's a long road but I'm leaving here today
Give me hope give me hell this time I'll try to make it all the
way

Cause it's a long way it's a long way
I got a long long way to go
Yeah it's a long way it's a long way
My highs keep making me low

Why is it so damn hard just to have an easy time?
All my friends are my enemies their sick of all my lies

Yeah it's impossible but this tide we'll surely turn
Give me hope give me hell time to learn that final burn

Cause it's a long it's a long way
I got a long long way to go
Yeah it's a long way it's a long way
My highs are makin me low

Yeah I know, Yeah I know, yeah I know know know know
Yeah I know, Yeah I know, Yeah I know know know

It's a motherfucker it's a motherfucker
Blam blam blam blam blam blam blam blam blam
