

How Many Times

Flaming Lips

One, two, three, four, five, six, seven
Eight and nine and ten and eleven
Twelve and thirteen and fourteen
Fifteen, sixteen, seventeen, eighteen

One, two, three, four, five, six, seven
Eight and nine and ten and eleven
Twelve and thirteen and fourteen
Fifteen, sixteen, seventeen, eighteen

One, two, three, four, five

How many times does it gonna take?
How many times is it gonna take?

One, two, three, four, five, six, seven
Eight and nine and ten and eleven
Twelve and thirteen and fourteen
Fifteen, sixteen, seventeen

We'll stop counting at ten billion times
(One, two, three, four, five, six, seven)
In other words, don't you stop
(You gotta keep on believing)
Don't you stop
(You gotta keep on believing)
Don't you stop
(You gotta keep on believing)
Trying on

Well, you stepped on a cat
Well, that was just that
There's some things we can't explain
Now your mom and your dad
Don't go thinking you're bad
We will love you forever always, yeah

Don't you stop
(You gotta keep on believing)
And don't you stop
(You gotta keep on believing)
Don't you stop
(You gotta keep on believing)
Trying on

One, two, three, four, five, six, seven
Eight and nine and ten and eleven
Twelve and thirteen and fourteen
Fifteen, sixteen, seventeen, eighteen
