Watching The Planets

Flaming Lips

Oh, oh, oh, watching the planets
Oh, oh, oh, oh, oh
Oh, oh, oh, watching the planets align

Oh, oh, oh, what is the reason
Oh, oh, oh, oh, oh
Oh, oh, oh, I got no reason to lie

Yes, yes, yes, killing the ego
Yes, yes, yes, alright
Yes, yes, yes, killing the ego tonight

No, no, no, I got no secrets
No, no, no, no, no
No, no, no, I got no secrets to hide

Oh, oh, oh, oh, oh
Oh, oh, oh, oh, oh
Oh, oh, oh, oh, oh

See, the sun's gonna rise
See, the sun's gonna rise
And take your fears away
Like the soft tit of the motherbrai, ai, ai, ai, ai, ai, ai, ai, ai, ai, ain

Oh, oh, oh, finding the answer
Oh, oh, oh, oh, oh
Finding that there ain't no answer to find

Oh, oh, oh, watching the planets
Oh, oh, oh, oh, oh
Oh, oh, oh, watching the planets align

Oh, oh, oh, building a fire
Oh, oh, oh, oh, oh
Oh, oh, oh, burning the Bible tonight

Oh, oh, oh, watching the eagle
Oh, oh, oh, oh, oh
Oh, oh, oh, watching the eagle fly

Oh, oh, oh
Oh, oh, oh, oh, oh
Oh, oh, oh, oh, oh, oh, oh, oh
The sun's gonna rise
