

# We Can't Predict The Future

Flaming Lips

We can't predict the future  
Or resist the inevitable  
Urge to try  
And we want to know the answers  
To understand the infinitude  
Of time  
And if that's just the way it is  
And all that will remain unchanged  
We cannot rearrange all the universe  
To suit our ways  
We can't predict the future  
Or understand the infinitude  
Of time... and space  
How long will it take  
Before I can realize?  
Realize?  
Realize?  
Realize?  
Realize?  
Realize?  
Realize?  
Realize?
