

You Lust

Flaming Lips

You got a lot of nerves
A lot of nerves to fuck with me
Better kill your emperor

Because you know you're just like me
You lust, you lust, you lust

Lust to succeed
Lust to succeed
Lust to succeed
Lust to succeed
Lust to succeed
Lust to succeed
Lust to succeed

When you pull the switch on us
I don't really want to know
When you shoot the stars away
The brightest light is the first to go
You lust, you lust, you lust

Lust to succeed
Lust to succeed
Lust to succeed
Lust to succeed
Lust to succeed
Lust to succeed
Lust to succeed

Oh, we are magnificent
The selfish I can't see itself
When it shoots across the fall
It can never be destroyed
It can never be destroyed
It can never be destroyed

You got a lot of nerves
A lot of nerves to fuck with me
Better kill your emperor

Because you know you're just like me
You lust, you lust, you lust

Lust to succeed
Lust to succeed
Lust to succeed
Lust to succeed
Lust to succeed
Lust to succeed
Lust to succeed

When you pull the switch on us
I don't really want to know
When you shoot the stars away
The brightest light is the first to go
You lust, you lust, you lust

Lust to succeed
Lust to succeed
Lust to succeed
Lust to succeed
Lust to succeed
Lust to succeed
Lust to succeed

Oh, we are magnificent
The selfish I can't see itself
When it shoots across the fall
It can never be destroyed
It can never be destroyed
It can never be destroyed
