

Restless

Flash and the Pan

Tossing
Turning
Breathless
Deathless
Restless

Wrong right
Long night
Breathless
Deathless
Restless

Batten down the shutters
Nailing down the window frames
Barricade the doors
There's gonna be a rain
Goodbye Mother Earth
She wasn't such a bad old girl
The storm is closing in
It's killing time again
The world'll never change

And in the East the sun is rising

Bad fools
Mad fools
Breathless
Deathless
Restless

The innocent - the guilty
The jury looking left and right
It doesn't really matter
The bottom line is pain
It's killing time again

Breathless
Deathless
Restless
