

Yesterday's Gone

Flash and the Pan

Is this the way to Guernica
Is this the New York plane
Are you the man from Jericho town
The ticket's in my name
Been waiting for the phone to ring
Been waiting for your call
Another day and another night down
Don't think you'll ring at all

Yesterday's gone
Yesterday's gone
Got a new station on
Yesterday's gone

I want to see America
I'd like to live in Spain
I'd like to find a way to go back
I've got to know my name
Been waiting for the phone to ring
Been waiting for your call
Another day and another night down
Don't think you'll ring at all

Yesterday's gone
Yesterday's gone
Got a new station on
Yesterday's gone

Yesterday's gone
Yesterday's gone
Got a new station on
Yesterday's gone

(instrumental part)

Yesterday's gone
Yesterday's gone
Got a new station on
Yesterday's gone

Yesterday's gone
Yesterday's gone
Got a new station on
Yesterday's gone

Yesterday's gone
Yesterday's gone
Yesterday's gone
Yesterday's gone
Gone
Gone
Gone
