

Role Models

Flatbush ZOMBiES

Natural born killa'
LSD user
Hennessy sippa'
Fat pussy eater
Slightly bipolar
Backwood smoker
Hood gynecologist
Mamá let me check yo' chocha

Wanna-be thinker
Readin' ass nigga
Sometimes I don't speak up
So I smoke this joint to keep up
Love my señoritas
Fat booty, D cups
Extra money surplus
My excellence unheard of

Eyes low, grinnin'
Cell phone ringin'
Palms stay itchin'
Ganja I be twistin'
Yo' chick steady switchin'
Givin', finger, lickin'
Kissin', suckin', spittin'
Kissin', suckin', spittin'

They say "winning isn't everything"
Well shit, it's the beginning
I be the missin' link
I hope you join me as I fill in
Illustrious, victorious
Educated villain
Noble with these words
I'm proof, I show you how I'm livin'

Fronto leaf rolled up
Brooklyn born soldier
Pistol by my scrotum
Never pay for chocha
Conspiracy theorist
Sacrilegious lyrics
When Erick Arc on the beat nigga
We don't need no clearance

Skin with no tattoo
Rappin' like Badu
Orchestrate the sample
Drum beats, I dismantle
Suicide, you decide
The money; how it's handled
We ain't miss a meal my nigga
Slavin' over canned food
