

Broken

Flaw

I like that you're broken
Broken like me
Maybe that makes me a fool
I like that you're lonely
Lonely like me
I could be lonely with you

I met you late-night at a party
Some trust fund baby, Brooklyn loft
By the bathroom, you said let's talk
But my confidence is wearing off

Well, these aren't my people and these aren't my friends
She grabbed my face and that's when she said

I like that you're broken, broken like me
Maybe that makes me a fool
I like that you're lonely, lonely like me
I could be lonely with you

Lonely with you
Lonely with
Lonely with
Lonely with

There's something tragic but almost pure
Think I could love you but I'm not sure
There's something wholesome, there's something sweet
Tucked in your eyes that I'd love to meet

Well, these aren't my people and these aren't my friends
She grabbed my face and that's when she said

I like that you're broken, broken like me
Maybe that makes me a fool
I like that you're lonely, lonely like me
I could be lonely with you

Lonely with
Lonely with
Lonely with

Life is not a love song that we like
We're all broken pieces floating by
Life is not a love song, we can try
To fix our broken pieces one at a time

I like that you're broken, broken like me
Maybe that makes me a fool
I like that you're lonely, lonely like me
I could be lonely with you
I like that you're broken, broken like me
Maybe that makes me a fool
I like that you're lonely, lonely like me
I could be lonely with you

Lonely with you

Lonely with
Lonely with
