

## Fed Up (;C4USE22)

Flaw

Every day in America, an average of 22 combat veterans commit suicide  
This song is intended to bring light to this tragedy

Let's do this, my life is a twist up, that's right  
You can't say that you never fucking missed up  
And to all those who have been great  
I can't turn the page, jump off the world stage  
And in every area, I am so sick to want to live  
And just the figure, it's too hard to think of  
It's an easy way out  
Knowing I can't speak, I can't even shout

I'm fed up with, I'm fed up with my  
I'm fed up with, I'm trapped all inside my  
I'm fed up with, I'm fed up with my own life  
I'm fed up with, I'm fed up with my  
I'm fed up with, I'm wrapped up inside my  
I'm fed up with, I'm fed up with my own life

United we stand and divided I fall  
Seeing my soul all nailed to the faded wall  
All tied up in this cage  
Pitch black, there's no light, in complete haze  
Maybe I should end it now  
Because I feel it burning, itching, slowing me down  
It's an easy way out  
No one can help me, I can't even shout

I'm fed up with, I'm fed up with my  
I'm fed up with, I'm trapped all inside my  
I'm fed up with, I'm fed up with my own life  
I'm fed up with, I'm fed up with my  
I'm fed up with, I'm wrapped up inside my  
I'm fed up with, I'm fed up with my own life

And I wait longer each day  
I still wait, maybe today

I must go through with this, but I can't  
I can't go through with this, but I must  
I must go through with this, but I can't  
I can't go through with this, but I must  
I must go through with this, but I can't  
I can't go through with this, but I must  
I must go through with this  
I can't go through with this

I must succeed  
Find purpose in life, find purpose in life  
Pain close in me  
Can't take it no more, can't take it  
I must succeed  
Find purpose in life, find purpose in  
Pain close in me  
Can't take it no more, can't take it  
I must succeed  
Pain close in me

I'm fed up with, I'm fed up with my  
I'm fed up with, I'm fed up with my  
I'm fed up with, I'm fed up with my  
I'm fed up with, I'm fed up with my  
Nothing but the facts, y'all

I'm fed up with, I'm fed up with my  
I'm fed up with, I'm trapped all inside my  
I'm fed up with, I'm fed up with my own life  
I'm fed up with, I'm fed up with my  
I'm fed up with, I'm wrapped up inside my  
I'm fed up with, I'm fed up with my own life
