Sun Giant

Fleet Foxes

What a life I lead in the summer What a life I lead in the spring What a life I lead when the wind, it breathes What a life I lead in the spring What a life I lead when the sun breaks free As a giant torn from the clouds What a life indeed when that ancient seed Is a-buried, watered and plowed What a life I lead in the summer What a life I lead in the spring What a life I lead when the wind, it breathes What a life I lead in the spring
