

# Hard Feelings

Fleetwood Mac

Now I'm supposed to understand  
Don't you think you're asking too much?  
What kind of fool do you think I am?  
Don't you think you've hurt me enough?  
Still you wanna be friends  
But I don't wanna be just friends

So before you start with your sympathy  
Just turn around and go  
And if he breaks your heart don't come cryin' to me  
I won't be there anymore  
Go ahead and cry your tears  
'Cause I'm not gonna dry your tears

I've got hard feelings  
When it comes to you and me  
And these hard feelings  
Just won't let me be  
These hard feelings run deep  
These hard feelings run deep

I'll be alright, don't you worry about me  
I'll take care of myself  
The first thing I need is you out of my life  
The last thing I need is your help  
Sorry I met you  
I will forget you someday

I've got hard feelings  
When it comes to you and me  
And these hard feelings  
Just won't let me be  
These hard feelings run deep  
These hard feelings run deep

I've got hard feelings  
When it comes to you and me  
And these hard feelings  
Just won't let me be  
These hard feelings run deep

These hard feelings  
When it comes to you and me  
And these hard feelings  
Just won't let me be  
These hard feelings run deep

These hard feelings  
Hard feelings  
Just won't let me be, yeah  
Hard feelings  
Hard feelings
