

I'm Coming Home to Stay

Fleetwood Mac

I'll be coming home soon baby
please be waiting outside your door
I'll be coming home soon baby
please be waiting outside your door
Yes when i get back with you baby
you know i ain't going to leave no more
Yes when i get on that train baby
you'll know it won't be long
Yes when i get on that train baby
you'll know it won't be long
I'll give you all the love little darling
i've had in store for you since i've been gone

I ain't going to leave no more little girl
this time i'm coming home to stay
Well I ain't going to leave no more little girl
this time i'm coming home to stay
I'm going to give you a no good mother
every night and every day
