

## Keep me There

Fleetwood Mac

Baby, don't lock me up and throw away the key  
Don't leave me in the dark I need you here with me  
I need you here with me  
I need you here with me  
Won't you keep me there?

Don't break this spell I'm in  
I couldn't live without it  
Don't  
There's nothing I could do about it  
There's nothing I could do  
There's nothing I could do  
Won't you keep me there?

Even if you're lying keep it going  
Keep it going a little bit longer  
You know, you know that I'm trying  
Trying to be, oh, a little bit strong

Baby, don't lock me up and throw away the key  
Don't leave me in the dark I need you here with me  
Even though I'm wrong  
Even though I'm wrong  
Oh, won't you keep me there?

You know that you're lying but keep it going  
Keep it going a little bit longer  
You know, you know that I'm trying  
Trying to be, oh, a little bit strong  
You know, you know that you're lying  
But it keep it going keep it going just a little longer
