## **Madison Blues**

## **Fleetwood Mac**

Well, you got a song about your Madison shoes Well, I got a song we call the Madison blues We do the Madison blues We do the Madison blues We do the Madison blues Yes and rock away your shoes

Well I got a girl her name is Linda Loo She said she'd let me roll her but you know it ain't true We do the Madison blues We do the Madison blues We do the Madison blues Yes and rock away your shoes

Well, you got a song about your Madison shoes Well, I got a song we call the Madison blues Put on your Madison blues shoes
Put on your Madison blues
Put on your Madison blues shoes
And rock away all your blues
