## Save Me a Place

## **Fleetwood Mac**

Don't know why I have to work Don't know why I can't play Turn me off turn me out But don't turn me away Save me a place I'll come running if you love me today Don't know why I have to go Don't know why I can't stay Guess I want to be alone And I guess I need to be amazed Save me a place I'll come running if you love me today I'll come running if you love me today.
