

# Skies the Limit

Fleetwood Mac

If I've been acting a little strange  
And you have noticed it too  
It's 'cos my life has been rearranged  
With the presence of you

The sky is the limit now  
We can hit it on the nail  
And when we do  
I'll think about you  
How can we fail

Can you give me one reason why  
You'd ever let me down  
I won't believe it baby, but I'll try  
The truth's goin' to come around

The sky is the limit now  
We can hit it on the nail  
And when we do  
I'll think about you

How can we fail  
The sky is the limit  
Oh, the sky is the limit  
How can we fail

Sooner or later  
I'll keep the promise  
I made you  
Sooner or later  
It will be greater  
Than we ever knew

The sky is the limit now  
We can hit it on the nail  
And when we do  
I'll think about you

The sky is the limit now  
We can hit it on the nail  
And when we do  
I'll think about you  
How can we fail

The sky is the limit  
The sky is the limit  
Oh, the sky is the limit  
How can we fail  
The sky is the limit  
Oh, the sky is the limit  
How can we fail
