

# What's the World Coming To?

Fleetwood Mac

What's the world coming to?  
What's the world coming to?  
Everyone's gone to the moon  
What's the world coming to?

Every night, every day  
In this house filled with shame  
I can say I care  
But there's no one there

There's no truth in my life  
There's no light in my eyes  
And it's all I guess  
That I'll ever miss

What's the world coming to?  
What's the world coming to?  
Everyone's gone to the moon  
What's the world coming to?

I can jump right off and fall right into the ocean  
I can come right out and think just what I say  
But if I don't call for a reservation  
They'll just turn me down  
Turn me inside out

I don't say what they want  
I don't do what they say  
So I'm on their list  
So I'm gone, I guess

What's the world coming to?  
What's the world coming to?  
Everyone's gone to the moon  
What's the world coming to?

What's the world coming to?  
What's the world coming to?  
Everyone's gone to the moon  
What's the world coming to?
