

When the Sun Goes Down

Fleetwood Mac

Hmm, Hmm

When the sun goes down
And the moon shines bright
Honey, if you call my name
I will take away your pain
I will take good care of you tonight

Somebody broke your heart
Tore your world apart
But that's all over
It's a brave new day

Somebody made you cry
Took away your pride
But that's all over
Let's be on our way

When the sun goes down
And the moon shines bright
In my arms it's safe and warm
I give you shelter from the storm
I will take good care of you tonight

Somebody mad you sad
Treated you so bad
But it's all over
I won't let you down

Well, he was just a fool
Wonder why so cruel?
But you'll forget him
When I come around

When the sun goes down
(Take good care)
And the moon rises high
(Aah, aah)
Honey, open up your door
And you won't hurt no more
I will take good care of you tonight

Well, step out of the shadows
Let the night begin
(Woo)
An' when you hear me knockin' let me in

When the sun goes down
And the moon shines bright
(You can call my name)
Honey, if you call my name
I will take away your pain
I will take good care of you tonight

When the sun goes down
(Take good care)
And the moon rises high

(Aah)

In my arms it's safe and warm

I give you shelter from the storm

I will take good care of you tonight

Hurry, open up your door

And you won't have to hurt no more

I will take good care of you tonight
