

Blinded by Fear (At the Gates cover)

Fleshgod Apocalypse

'We are blind to the
World within us,
Waiting to be born'

I cast aside my chains
Fall from reality
Purgatory unleashed
Now burn the face of the earth
Purgatory unleashed
Now burn the face of the earth

The face of all your fears
All your fears unleashed
The face of all your fears

Born of the demon sky
Twisting reality
Sweet nauseating pain
Is death the only release?
nauseating pain
Is death the only release?

The face of all your fears
All your fears unleashed
The face of all your fears

I cast aside my chains
Fall from reality
Suicidal disease
The face of all your fears
Now covered with sores
Humanity exiled
Purgatory unleashed
Now burn the face of the earth
Purgatory unleashed
Now burn the face of the earth

The face of all your fears
All your fears unleashed
The face of all your fears
