

Exhausted minds
fucked up and masticated
united shades
mentally omasculated
take al you need
there is no such refuse
lets make them bleed
extinction turns them loose

Lifedrain
your subhuman value
a priceless comeditiy
lifedrain
squeezed and eco deboned
poor uniformity
lifedrain
Earths flesh in decompose
rapacious ability
lifedrain
black or white equals scum
ground zero stability
lifedrain

Tapped and misused
warmongers win lowlives to fuse
sucked out of all
determination your own abuse
leave us to bleed
doorstep of crisis were all to lose
let make us bleed
there is nothing to choose

Lifedrain
your subhuman value
a priceless comeditiy
lifedrain
squeezed and eco deboned
poor uniformity
lifedrain
Earths flesh in decompose
rapacious ability
lifedrain
black or white equals scum
ground zero stability
lifedrain
