Lifetime Mayhem

With the loss of vital power My roaming is useless In second changed my life What a fragile existence...

Kill the offender! Spreading the fear Pain is his stupid fascination Increases and gets stronger

Lifetime Mayhem Eye for an Eye Lifetime Mayhem Let him to Die

Bleeding mouth and soul Caused that I've lost my Faith With the painful memories on my way of life and hate

As ever! Forever - without aims Possessed by own stupidity Blind, simple, boring... Tortured by perverted mind...

Lifetime Mayhem Eye for an Eye Lifetime Mayhem Let him to Die

Revenge is coming Blood all around and lot of pain Energy in circle coming back Back to him, cutting his vein
