Break your arms around me like I passed away  
And I'd hold on, but my guts twist up when I hear you say  
"I love you a lot"  
I'll love you when I've given up

Felt it once, but never more (Never more)  
Your defense to change will go on and on and on  
Time to condescend, abandon anything (Anything)  
The loss, you'll comprehend and say I'm everything (Everything)  
Reassess all you think you know (know), but instead you'll be saying  
"I love you a lot"  
I'll love you when you've given up

(Can you hear us, destiny?  
What's your problem?  
I don't have a problem  
Then why are you here?)

Give up, give up  
Give up, give up  
Give up, give up  
Give up, give up
