Your hands and you're pulling my jeans  
And your voice real low when ya talking to me  
You're saying something  
And I'm thinking one thing

Your lips when you bite 'em like this  
And I'm blushing real hard got me moving my hips  
You're across from me  
And it's hard to breathe

You're such a dream  
I'm dying to see  
If it's real, if it's sweet, if you taste just like a

Hello, nice to meet ya, my name's Cari  
We should rendezvous sometime, mon chéri  
I want you on top of me like cherry  
Cherry

Don't do this to me  
That look in your eyes  
Your body's got me  
Outta my mind  
Girl I'm taking it over  
Grab your things we're goin' to paradise, paradise

You're such a dream  
I'm dying to see  
If it's real, if it's sweet, if you taste just like a
