

# Joyride

Fletcher

We're standing in the kitchen  
We just fucked for like 6 hours  
Now you're getting in my head  
Now you're dripping down my leg

I was watching you bite down on a peach  
I was licking a spoonful of peanut butter  
Then you kissed me and I thought  
"How the fuck do these things go so damn good together?"

I, I, I, I die, you were in my dreams  
Now I'm in your bed  
I, I, I, I die, went from unexpected  
Now I'm just forgetting all my exes

I think she's out of my league  
And I'm out of my mind  
Now we're both going down  
Shooting stars out the sky  
Nobody catches the girl  
Double dare you to try  
Steal the keys to my heart  
Take it out for a joyride

Nowadays  
Balance can be hard to find  
Who knew I'd meet somebody with a mind as perverted as mine?  
You  
You don't have to be the rest of my life  
Just take it out  
Take it out for a ride  
Yeah, we're on a highway doing 90 in a 45  
Won't you kiss me hard in a Jersey dive?  
Love me forever like a husband  
Fuck me now like a boyfriend  
Right?

I, I, I, I die, you were in my dreams  
Now I'm in your bed  
I, I, I, I die, went from unexpected  
Now I'm just forgetting all my exes

I think she's out of my league  
And I'm out of my mind  
Now we're both going down  
Shooting stars out the sky  
Nobody catches the girl  
Double dare you to try  
Steal the keys to my heart  
Take it out for a joyride

I think she's out of my league  
And I'm out of my mind  
Now we're both going down  
Shooting stars out the sky  
Nobody catches the girl  
Double dare you to try

Steal the keys to my heart  
Take it out for a joyride
