

# Lead Me On

Fletcher

I was born to love you  
You were born wild and free  
I was made to find you  
But your heart is constantly runnin'  
Just never toward me

So why don't you just lead me on?  
'Cause something is better than nothing at all  
Yeah, I want you to lead me on  
'Cause something, yeah, something is better than nothing  
Something, your something is better than nothing at all

It's hard to tame wild horses (It's hard to tame wild horses)  
It's hard to stay sound asleep (Sound asleep)  
The thought of you is torture (The thought of you is torture)  
But your heart is constantly runnin'  
Just never toward me

So why don't you just lead me on?  
'Cause something is better than nothing at all  
Yeah, I want you to lead me on  
'Cause something, yeah, something is better than nothing  
Yeah, something, your something is better than nothing at all  
Nothing at all  
Nothing at all  
Nothing at all

So why don't just lead me on?  
'Cause something is better than nothing  
At all  
At all  
At all

So why don't you just lead me on?  
'Cause something, yeah, something is better than nothing  
Your something, your something is better than nothing  
Your something, your something is better than nothing  
Just a little something, yeah, something is better than nothing  
at all
