One Too Many

Fletcher

I'm so sick of seeing your face in every face
I'm so sick of missin' you (Ooh)
It's too late, and baby I'm done with comin' undone
I'm so sick of lovin' you (Lovin' you)

I hope that band you like breaks up
Your new girl finds out you suck
You drop and shatter your phone
I hope your favorite bar shuts down
All your best friends, they leave town
I hope you spend your nights alone

'Cause I've had one too many
I'ma say what I wanna say
And one more's one too many
But I just can't walk away
From all of these, all of these nights
Without you and drinks about you
I'ma say what I wanna say
'Cause I've had one too many

It's so sad someone I loved, is someone I hate
So sad that I'm hating you
Yeah, I'm so over getting over you
I'm finding closure, 'cause it's overdue

I hope that band you like breaks up
Your new girl finds out you suck
You drop and shatter your phone
I hope your favorite bar shuts down (Yeah-yeah)
All your best friends, they leave town (Yeah-yeah)
I hope you spend your nights alone

'Cause I've had one too many
I'ma say what I wanna say
And one more's one too many (Oh)
But I just can't walk away
From all of these, all of these nights
Without you and drinks about you
I'ma say what I wanna say (Say what I wanna say)
'Cause I've had one too many

Three, two, one too many
One too many (Oh)
Three, two, one too many
One too many (Many)
(Ha-ha-ha-ha, Ha-ha-ha-ha)

'Cause I've had one too many, oh
But I just can't walk away
From all of these, all of these nights
Without you and drinks about you (Oh)
I'ma say what I wanna say (Say what I wanna say)
'Cause I've had one too many

(Oh) Three, two, one too many
One too many (Oh) (One too, one too)

Three, two, one too many ('Cause I've had one too many)
One too many (Oh)
Three, two, one too many (One too many)
One too many (Oh)
Three, two, one too many
One too many
