

## Broken Mirror

Fleur East

I've lost my way  
Looking in a broken mirror  
I've lost my way  
Looking in a broken mirror

I've changed so much  
I don't know who I am  
It's like looking in a broken mirror  
A broken mirror  
I've lost my way  
Don't know where I began  
It's like looking in a broken mirror  
A broken mirror, get-get-get-get over

Gotta get over you  
Get-get-get-get

Looking in a broken mirror  
Looking in a broken mirror  
Looking in a broken mirror  
Looking in a broken mirror
